1) _____

2) _____

3) _____

Please list three terms, in the fields of frontier science, energy medicine, integrative medicine, holistic health, energy fields, preventive medicine, etc, which you believe it would be very helpful for us, as a group, to clearly define.

Finally, Dr Korotkov may bring along his books from Russia. It will be great to give him an idea of how many to bring. Each one of his books has different information and stories. He is very careful to present information in varying ways. I assure you, that while these are challenging books to read, you will reap the rewards in understanding life and science in ways you may not be able to imagine at this time. Please note if you are interested in the following, and how many:

Aura and Consciousness _____

Measuring Energy Fields: The State of the Science _____

Light After Life _____

Spiral Traverse _____

Human Energy Field: Study with GDV Bioelectrography _____
